Ordinance No. 2000-698, as adopted October 10, 2000, by the Mayor and Council of the City of Goodyear, provides authority to the Public Works Director to: (1) close streets, sidewalks and other rights-of-way; (2) establish emergency parking restrictions, (3) establish permit and user fees for persons performing work requiring partial or complete closure of public streets and other rights-of-ways. All traffic control will comply with the latest edition of the Phoenix Barricade Manual. A uniformed officer will be required for any work being completed within 300 feet of a signalized intersection. The contractor is responsible for inspecting all traffic control daily to ensure that they are in compliance and traffic flows smoothly.

SUBMIT THE FOLLOWING FOR A LANE RESTRICTION OR STREET CLOSURE

Prior to any traffic control plans being accepted by the City of Goodyear, the following worksheet must be completed. Provide the following information to indicate the plans are complete and enclosed. This will serve as verification of a proper submittal. If there is a discrepancy in any one item, plans will be returned as an improper submittal. Plans will not be reviewed unless all items have been submitted for review.

- _____ **Traffic Control Plans (1 Set)** - Prepare in accordance with the most recent edition of the Phoenix Traffic Barricade Manual. Please include a Vicinity Map.
- _____ **Construction Schedule** – Any request for a closure will require a construction schedule to be submitted along with the application and barricade plans.
- _____ * **Manhole Entry Fee** - \$55.00 Per day per manhole. List all manholes numbers on application.

Use the following worksheet to determine fees:

	Length of Closure	Application	Engineering Inspection
